Product Description

Commercial PVC Air Tight Pools With Tent Heat Sealing Inflatable Tent With Pool Backyard Water Splash For Party

Description:

This inflatable swimming pool, sized at 4.5 x 4.5 x 0.6H meters, showcases a vibrant design with colorful, segmented sidewalls.

The bright - colored, multi - hued structure not only catches the eye but also ensures durability for long - term use. Made from high - quality, thickened PVC material, it's resistant to punctures and wear, providing a safe and reliable water - containing space.

Usage

Amusement Parks

It can be a centerpiece in amusement parks. Equipped with water toys like water walking balls, water rollers, etc., it creates an attractive water play area. Kids can have fun splashing around, rolling in the water toys, making it a hit among young visitors and boosting park footfall.

Commercial Squares

For commercial squares, it serves as a great temporary water - themed attraction. Operators can run ticketed events, charging a fee for kids to enter and play with added water toys such as bumper balls or paddle boats. It draws families, increases square vitality, and brings in extra revenue for businesses.

Rental Businesses

Ideal for rental companies, it can be leased out for various events – birthday parties, community gatherings, or corporate family days. Customers can rent it along with water toys, setting up a quick - to - assemble, enjoyable water play zone without the need for permanent installation.
