Product Description

Commercial Sport Event Inflatable Start Finish Line Arch Entrance Arch Gate With Led Lighting

Description:

This eye - catching inflatable archway is a vibrant and versatile marketing and event - decoration tool. Constructed from durable, high - quality PVC material, it features a bold purple and yellow color scheme that is sure to stand out. The Korean characters “ ” (which can be translated as “Congratulations” or “Well Done”) printed on the archway add a personalized touch, making it ideal for celebratory events.

Easy to inflate and deflate, this archway can be quickly set up to create an impactful entrance or focal point at various events. Its sturdy design ensures stability during use, even in outdoor environments with mild winds. Whether used to mark the start or finish of a race, welcome guests to a party, or promote a brand at an exhibition, this inflatable archway combines functionality with visual appeal.

FAQ

1. Can we change the size and color based on the original ones?

The size and color can be changed according to your demand. Please contact us to get more information about the inflatable you want to alter before it is finished producing.

2. Where can the inflatable products be displayed or used?

Display them on the rooftop, stop, parks, beaches and intercity terminals, in front of the show rooms and supermarket. In a word, they can be showed everywhere.

3. How to install the inflatable products if I am fresh?

It is very easy to install. Prepare your ground, open the package of inflatable and blower. Power on the blower and inflate it.

4. Your blowers and pumps meet CE/UL requirements?

Yes, we can provide one or two as your demand if possible.

5. What is the daily consumption of the blower?

The cost are negligible as the blower consumes only a few units of electricity each day
