Product Description

Product Description:

Our 3D dinosaur jumper is going to bring your imagination to enjoy a day of non stop fun. Equipped with a basketball hoop inside and a slide to finish it all off. This is a guaranteed eye catcher and will not disappoint. This combo can be used wet/dry. If used wet, a pool landing can be attached to the slide along with a water hose to sprinkle water down the slide. Allow 30 minutes to fill up pool with water.

24ft L x 14ft H x 10ft W
12ft H for the slide
14ft W x 10ft L x 14ft for the bounce house area

Our inflatable bouncer is available for OEM/ODM orders, allowing you to customize the design to fit your specific needs. With our free 3D design service, you can create a bounce house combo that is unique and perfect for your event.

Our inflatable bounce house is made with high-quality materials, ensuring durability and safety. The size of the bounce house can be customized to fit your space, making it perfect for indoor and outdoor events.

Payment for our inflatable bouncer is easy with options such as T/T, Paypal, and Western Union.

The Inflatable Bouncer House also features a slide, adding an extra element of fun to the jumping castle. Kids will love bouncing and sliding, while parents can relax knowing the bounce house is safe and secure.

Overall, our Inflatable Bouncer House is the perfect addition to any party or event. With its customizable design and high-quality materials, you can create a unique bounce house combo that will provide hours of entertainment. Don't hesitate to order your own Inflatable Bouncer House today!
