Product Description

Factory Price Inflatable Water Roller Ball, Inflatable Water Walking Roller PVC Tarpaulin

Description:

Inflatable water roller : The water roller also named Inflatable Water Roller , water roll ball , Walk-on-Water Roller , etc . Water Roller is very popular between kids and adults for a sporting and recreation . Our factory can produce all kinds of water roller according to your request .

Water roller products explain : Climb inside this giant 6-foot sphere and rock-and-roll across the water The inset cups on the outer surface help grip and paddle your way through the water as you spin the globe . Using two Nuclear Globes , you can engage in Nuclear Face-Off as you and an opponent compete to bump and bounce each other into submission .

For kids, it is really difficult to learn the importance of teamwork from textbook. however water roller is a great tool to let kids learn how amazing teamwork is. it will be an amazing experience for 2 to 3 people together to get the roller rolling properly. our Water Roller Ball is made of imported thick high strength transparent coating PVC or TPU polyether materials, design of the three air chamber, ensure the gas chamber leak drum not sink, each end of the gas chamber force is 400 kg. It can take 2-3 people at the same time. Both sides are fully ventilated. there is no worry about tourists playing too long by obstructed breathing problems. our product is Ideal for any swimming pool, inflatable pool or lake.
