Product Description

NL Large Inflatable Obstacle Course Inflatable 5K Obstacles Running Race

Product Description:

The Ninja Run, an electrifying 2.5KM inflatable obstacle course race in New Zealand, is an epic summer adventure for all ages. All 14 sets of giant inflatable obstacle facilities used in this event are expertly crafted by Guangzhou Barry Industrial Co., Ltd. Leveraging our high-quality manufacturing craftsmanship for inflatable products, we have built a world-class inflatable obstacle course for the event, powering the success of this fun-filled national competition in New Zealand.

Key Highlights of the Event

1. All-Age Inclusive, Boundless Fun

The event features a family-friendly experience where everyone, from kids to adults, can complete the course at their own pace—whether walking, jogging or sprinting. Every finisher gets to step onto the podium and receive an exclusive finisher's medal, delivering a fun experience that truly encourages universal participation and rewards for all.

2. 14 Giant Inflatable Obstacles Crafted by Guangzhou Barry, for an Ultimate Experience

The core competitive and recreational attractions of the event—**14 sets of giant inflatable facilities**—are exquisitely crafted by Guangzhou Barry Industrial Co., Ltd. These include a diverse range of inflatable slides, tunnels, climbing structures, and a specially designed 13-metre high, 4-lane Samurai Water Slide for post-race fun, which has become the iconic photo spot of the event. All inflatable facilities form a professional, safe and highly entertaining 2.5km course. Participants can freely choose to tackle it by running, walking or crawling, cool off in the spray tunnel, and immerse themselves in the ultimate inflatable obstacle experience.

3. Dual Modes: Competitive & Leisure, Tailored to Diverse Needs

The event offers both timed and untimed participation modes to cater to different groups: casual participants can simply enjoy the fun of the course at ease, while competitive enthusiasts can opt for the timed mode. With the event's exclusive race-tag timing technology, their results are uploaded in real time to the online live leaderboard. Those who sprint for the top spot stand a chance to win fantastic prizes, and exclusive rewards are specially set for the top performers on the leaderboard.

4. Race + Leisure, a One-Stop Summer Carnival

Beyond the core obstacle course, a diverse leisure and entertainment zone is set up on site: participants can ride the giant Samurai Water Slide and join fun sports like volleyball and swingball; they can also bring their own picnic snacks or visit the on-site food trucks, and enjoy a relaxing time with live music—all for a one-stop "run, play, eat" summer experience.

Rave Reviews & Acclaim

The event has earned glowing praise from participants. One attendee commented, "I brought my young nephew along to the event, and we had an absolute blast with zero stress. The 4-lane water slide alone is worth the trip—it's the perfect choice for a family day out." Ninja G, Co-founder of the NinjaVerse and Chief Ninja Officer, also issued a call to action, inviting people of all ages and abilities to join the event and experience the unique allure of the massive obstacle course.

As the manufacturer of all inflatable facilities for this event, Guangzhou Barry Industrial Co., Ltd. has laid a solid foundation for the experience of this nationwide New Zealand event with its professional product quality. We have brought a world-class inflatable obstacle run experience to life in New Zealand, and enabled Chinese-manufactured inflatable amusement products to shine on the global stage of fun-filled events.
