#### Key Customization Options

##### Custom Themed Printing

The vibrant bunny artwork can be replaced with any theme, logo, character, or design you request. Whether you want cartoon characters, brand logos, event slogans, or custom patterns, our high-definition digital printing makes it possible.

We accept design files in formats like AI, PSD, PNG, or JPG, and our team can also help create custom artwork for you.

##### Flexible Color & Structure Customization

**Color Matching:** Choose any color combination for the castle, pillars, slide, and entrance to match your brand, party theme, or event style.

**Adjustable Sizes & Layouts:** Modify the overall dimensions, bounce area size, slide length, and even add extra features like ball pits, obstacle courses, or climbing walls to suit your space and needs.

##### Premium, Durable Construction

Made from commercial-grade 0.55mm-0.65mm Plato PVC tarpaulin, the same high-quality material used for the original bunny-themed model. Reinforced double stitching at all stress points, plus quadruple stitching at key wear areas, ensures long-lasting durability even with heavy use. Equipped with safety mesh windows for visibility, safety handles on the slide, and D-rings for secure anchoring.
