#### Key Features & Highlights

##### Authentic Castle Design

Featuring iconic castle turrets, a knight's shield emblem, and bold orange, blue, and grey color blocking, this bounce house brings the magic of a medieval fortress to life. Themed details, including decorative flags and stonework-style prints, create an immersive play environment that encourages role-play and creative storytelling.

##### Multi-Activity Play Structure

**Spacious Bounce Area:** A large, enclosed jumping zone lets kids bounce, tumble, and play freely.  
**Dual Slides:** A small front slide for quick access and a larger, curved side slide for thrilling, fast-paced fun.  
**Interactive Obstacles:** Integrated climbing walls and playful archways add extra challenges, keeping kids engaged for hours.

##### Premium Commercial-Grade Build

Constructed from heavy-duty, 0.55mm-0.65mm Plato PVC tarpaulin, this bounce house is built to withstand frequent use and heavy play. Reinforced double and quadruple stitching at all stress points prevents tearing, while high-visibility mesh walls ensure safety and airflow. Includes reinforced anchor D-rings for secure setup outdoors, plus a UL/CE-certified blower, repair kit, and storage bag for convenience.

##### Fully Customizable to Your Needs

**Color Matching:** Adjust the orange, blue, and grey palette to match your brand, event theme, or party decor.  
**Themed Branding:** Add custom logos, text, or personalized artwork to the castle turrets, shields, or side panels.  
**Size & Layout Tweaks:** Modify the overall dimensions, slide length, or add features like ball pits or pop-up obstacles to suit your space and requirements.
