Product Description

Green Jumping Castle Customizable Castle Inflatable Bounce & Slide Combo

This classic castle-style inflatable bounce house with slide is a versatile, high-performance addition to any party rental inventory, family backyard, or commercial event. Designed with a clean, blank canvas front panel and bold blue-green color scheme, it offers endless customization possibilities to match your brand, theme, or event needs.

Built for heavy-duty commercial use, this combo features a spacious bounce area, a gentle front entry ramp, and a full-size side slide, creating multiple play zones for kids to jump, climb, and slide safely. The reinforced mesh walls ensure constant airflow and clear visibility for supervisors, while the durable stitching and premium 0.55mm-0.6mm PVC tarpaulin guarantee long-lasting performance.

What sets this model apart is its full customization flexibility: you can add custom logos, artwork, or themed prints to the large blank front panel, modify the color palette to your preference, or adjust the dimensions and slide configuration to suit your specific requirements. Easy to set up, deflate, and transport, it comes complete with a high-output blower, repair kit, and carrying bag for hassle-free operation.
