Product Description

Inflatable TAB Brand Target Goal Game Customizable Sports Toss Game

Product Overview

This inflatable target goal game is a fun, interactive sports activity designed for events, parties, brand activations, and family entertainment. Built with the vibrant green TAB-branded design shown in the photos, it combines a lightweight, stable structure with a clear target opening for ball-tossing or aiming games, perfect for all ages.

Key Features

Brandable & Customizable Design

Features pre-printed TAB logos and a sport-themed target graphic, with full customization available for your own brand, colors, or event graphics. Swap the green color scheme, add custom logos, or modify the target design to match your brand identity or event theme.

The large front panel offers a high-visibility canvas for branding, making it ideal for corporate events, trade shows, or promotional campaigns.

Durable & Stable Construction

Made from heavy-duty 0.55mm commercial-grade PVC tarpaulin, built to withstand repeated use indoors and outdoors. The wide, weighted base design ensures the goal stays stable during play, even with active participants, while reinforced stitching at all stress points prevents tears.

The mesh target opening allows clear visibility while containing soft balls or lightweight projectiles, making it safe for kids and adults alike.

Easy Setup & Portability

Inflates quickly with a standard blower (included optional) in just minutes, and deflates compactly for easy transport and storage.

Lightweight enough to move between venues, with built-in handles for easy carrying.

Perfect For

Brand activations and corporate events
School carnivals, sports days, and community events
Backyard parties, birthday celebrations, and family fun days
