## Product Description

### Rectangular Drop Stitch DWF Fabric Inflatable Kids Pool with Cover

#### Product Overview

This heavy-duty inflatable kids pool is built with premium drop stitch DWF (Drop Stitch Weave Fabric), delivering rigid, stable performance that outlasts traditional inflatable pools. Designed for safe, long-lasting water play, it comes complete with a custom-fit protective cover, making it ideal for backyard use, daycares, events, and commercial rentals.

The rectangular shape offers spacious play area for multiple children, while the DWF construction ensures the walls stay straight and firm even when fully filled, eliminating sagging or bulging common in standard inflatable pools.

#### Key Features

**Ultra-Durable Drop Stitch DWF Fabric:** Tear-resistant, puncture-proof material maintains a rigid, frame-like structure.

**Protective Cover Included:** Keeps debris out, reduces evaporation, and helps maintain water temperature.

**Safe & Spacious Design:** Tall, soft-edged walls provide a secure play environment for kids.

**Easy Setup & Maintenance:** Quick inflation, built-in drain valves, and compact deflated storage.

**Fully Customizable:** Available in custom sizes, colors, and branded prints to match your needs.
