Product Description

Soft PVC Inflatable Car Wash Mat Cleaning Garage Floor Containment Mats

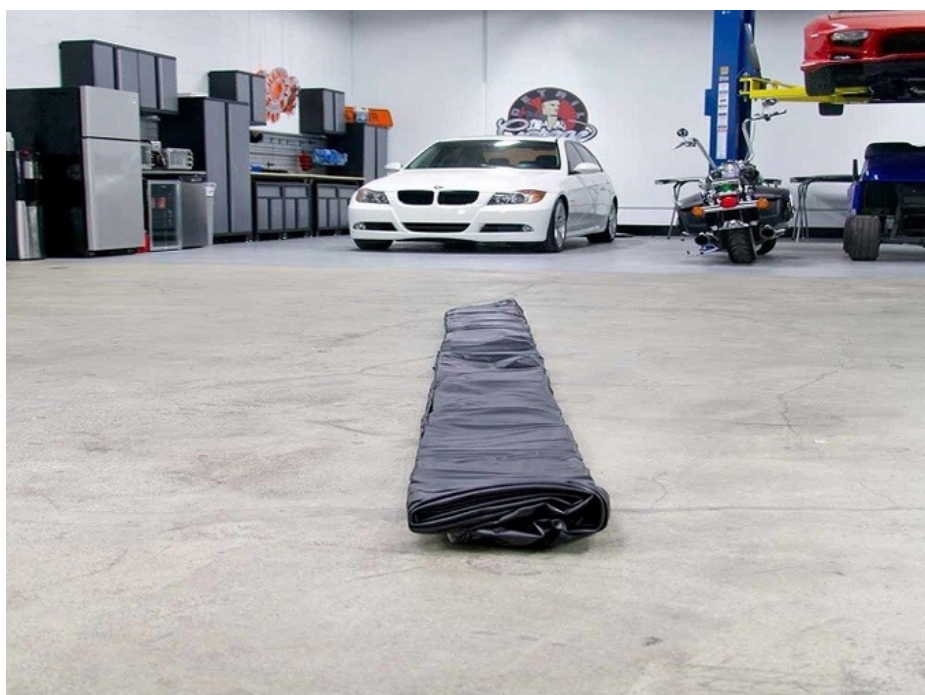

We recommend this mat and ecosmart to everyone in the detailing business. It saved the world, saves time and makes money. The mat is easy to carry and fast to set up, while the eco product you offer are not only the best priced product but also the only product we have tested that work great.

The mat is the perfect size for any vehicle. Works great and easy to transport. Highly recommend this size for all jobs.

More Photos About Mats for Reference:

A summary of the advantages of the floor: The wash pad is mobile, flexible and fast to set up. The standard inflatable wash pad weighs only 1Kg per square metre and can be easily transported. They are durable, chemical-resistant and can be manufactured on a bespoke basis in various materials. Many applications are possible especially as the wash pad can be custom made.

Why Buy This Product?

Free-standing inflatable water containment mat
Easy and fast setup and tear own
