## Product Description

### Commercial Large Blow Up Water Toys Giant Sexy Bubble Inflatable Water Walking Ball

#### What is Water Walking Ball?

The water balls are created for you to walk or float on water; it's a real float tank! The water balls are very simple and easy to use - just open up the zipper, enter inside, blow it up, close the zipper and it's ready: you can walk, jump, roll and float on water.

This is one of the best ways to build up your strength, balance, endurance and it's a lot of fun as well! So, if you need a workout, walking and controlling the water walking ball can be a real challenge. The trick is to hold onto the sides of the ball as you lean forward and walk or run slowly. Just a little practice and soon you will be walking on water easily.

#### Now you really can walk on water!

Prepare to experience the water in a whole new way with this awesome inflatable water walking ball that allows you to literally walk on water. This unique invention will provide you with hours upon hours of fun as you wall, run and scramble around above the the water inside your new bubble.

These water walking balls can be used for a casual stroll across the water or to play some more involved games with a bunch of other people who are also inside walking balls. Either way you are bound to have fun with this one – there is just something ridiculously entertaining about running around in a giant bubble across water!

#### Attentions:

The water walking ball wieghs 11 pounds and is 2m in diameter and 0.8mm thick.

A person can stay inside for about 10 minutes at a time on a sunny day and for much longer if they are are used out of sun or at night.
