Product Description

Comercial Large Inflatable Water Toys,Inflatable Water Colorful Walking Ball For Adult

What is Water Walking Ball?

If you're looking for a new toy to play with then this is something completely new and fun that'll keep you entertained for hours upon end. The water balls or dance balls have enough breathable air volume inside the sphere, for a normal person to remain inside for around 10 minutes, without the need to refill it with fresh air. It can be used on water as a game or amusement device. Which allow the rider inside the internal ball, It's a safe, fun and exciting experience for all ages. You can walk on the water!

Attentions:

A person can stay inside for about 10 minutes at a time on a sunny day and for much longer if they are are used out of sun or at night.
