## Product Description

### Customized Big Outdoor Kids Inflatable Twister Game For Funny

#### What is the Inflatable Twister and how to play:

Buy the Giant Twister and you will find yourself in some awkward positions as upto 16 of you and your friends find yourself twisting and turning, trying to reach your right hand for that red spot and your left foot for that green spot. Twister has been an extremely funny and entertaining game ever since it was first released into homes back in the sixties. However that always restricted you to just a few people getting involved and ending quite soon. With Giant Twister we can promise you not only a bigger experience thanks to the large 3 metre square inflatable bed, but guarantee more excitement and entertainment as up to 16 people compete to be the last one standing, so to speak.

#### Application:

Guaranteed to entertain everyone from the players to the spectators and even the person in control of the spinner, the Giant Twister would be perfect for a variety of events including fun days, birthday parties, corporate entertainment, private parties and weddings.
