Product Description

Customized Giant Inflatable Stage Cover Black Large Inflatable Event Tent

Description:

Our giant inflatable stage cover can be used for a variety of events from large to small.

The whopping stage stands 5meters tall, 9.4meters wide and 5.7meters deep (excluding overhang above). The overhang taked the structure to whopping 7meters in total.

This stage can be seen from miles around and is extremely convenient for all occasions with a record set up time of only 5 minutes.

The Inflatable Stage Cover creates a focal point at any event. the measurements are all internal measurements so you will need an area of at least 9mx16mx7m to have this inflated.

With the ability to house a litedeck stage with access to the rear to allow the transfer of acts to run smoothly. Litedeck stage, handrails and steps are available at extra cost.

the stage cover also features 2 Fire Exits to the rear and a large open front ensures that this is also a very safe unit to operate from.
