Product Description

Safety Sports Inflatable Rock Climbing Wall Rentals On The Land With PVC Material

Description:

Say goodbye to those hard walled versions with this all new, Fully inflatable bouncy castle climbing wall. This is our newest and proudest edition to the fleet. this amazing attraction can be seen from miles around and perfect for almost any venue. This wall is suitable for both kids & adults alike.

It measures in at a whopping 29ft and is 100% inflatable, which ensures that maximum safety can be achieved at all times. The wall features a near vertical climbing face, complete with large foam block holds for you to practice your cliff hanging skills & race your opponent to the top.

Safety First:

As we know, a lot of people is fond of climbing outside, there is no doubt that accident will happen sometimes. And now the inflatable climbing is a hit in the toys market. Some people can choose the inflatable climbing to replace the outside climbing activities, because it is more safe.

This Equipment comes fully staffed with all safety equipment for a 4 hour period, ensuring we know everything is being used correctly and safety at all times.

The participants will be supplied with a climbing harness, protective helmets and will be assisted by our trained operators at all times. In addition to this, the climbers will be secured to both the wall and a safety wire/harness, linked directly to the fall arrest system at all times, allowing them to be safely caught should the slip or fall, allowing them to climb back to the safety of the inflatable bed below.

In the unlikely event of a fall, the automatic belay will grip tight the rope in a matter of milliseconds & prevent the climber from falling. In addition to this.

Feature:

1. Made of 0.55mm pvc tarpaulin and in compliance with EN14960.
2. Easy setup and convenient to be used in different places.
3. The inflatable baller is one of popular interactive games.
4. Excellent waterproof and fire resistant factors make itself durable in daily use.
