Product Description

Crazy Artificial Blow Up Rock Climbing Wall Inflatable Rock Climbing Wall

Description:

Customize:(colour,height,width and shape,logo printing)

The inflatable Climbing Wall is positioned above the body of water (sea, ocean, lake), attached to a yacht by 14-rope-attach points, and totally customizable. You can choose your colour of preference, height, width, and shape of the wall (the more undulating the wall is, it's tougher to climb it), and even put your logo on the inflatable climbing wall.

It is very easy to inflate and deflate. Believe it or not, it takes only 17 minutes to fully inflate it. It is suitable for absolute beginners and the people who have some climbing mileage under their belt. The Wall has three different climbing routes, with each route marked by different colour to indicate the level of difficulty. Good out door water toys, it is a good choice with the summer is coming.

Specification:

| | |
|--------------|--|
| Item | Inflatable climbing wall |
| inflate time | About 17 minutes |

Why Choose Barry Industrial:

Barry has been concentrated in inflatable toys for many years and is able to custom make any inflatable products according to customers' requirements, such as inflatable bouncers, castles, slides, combos and more. Our water slides (the longest slide in Dubai is made by us), water parks (more than 2000 successful cases both home and abroad), inflatable tents (inflatable/airtight/EXTRA giant) and inflatable toys (land/pool/lake/ocean) have earned ourselves a good reputation for the excellent quality, fast production, prompt delivery and price!

If you are interested in any inflatable products, contact us for quick response! 24 hours online support available!
