Product Description

Durable PVC Inflatable Flying Towable Fish For Water Game , Fly Fish Water Sports

Quick Detial

Grab a friend and spend a summer day out on the water in this flying fish. Its deluxe, streamline design makes for easy paddling on both lakes and mild rivers, all while remaining lightweight and compact. Its cockpit features two adjustable seats with back rests, handles on front and back, grab line on both ends and a directional skeg for enhanced control. Make the most out of this summer with the fly fish boat!

FAQ:

Q: What are the flying fish made of?

A: Our flying fish are made of durable PVC tarpaulin.

Q: What happens if the flying boat punctures?

A: If the boat punctures there is no reason to panic. Small and large holes or tears can easily be patched and sealed. If there is a leak in the ball simply signal the instructor and you are pulled ashore. The ball will not sink unless it is completely destroyed. The ball can easily be patched with repair kit in you order from us.

Q: Where can the boat be used?

A: Boat can be used anywhere where there is water, lakes, pools, beaches, amusement parks and inflatable pool. If the trampoline is to be used on open seas, our specially designed safety nets should be used.

Q: How are the product inflated?

A: The inflatables are inflated with air from a air blower/pump/compressor. It takes about 5 minute to inflate.

Why Choose Barry Industrial

Barry has been concentrated in inflatable toys for many years and is able to custom make any inflatable products according to customers' requirements, such as inflatable bouncers, castles, slides, combos and more. Our water slides(the longest slide in Dubai is made by us), water parks(more than 2000 sucessful cases both home and abroad), inflatable tents (inflatable/airtight/EXTRA giant) and inflatable toys (land/pool/lake/ocean) have earned ourselves a good reputation for the excellent quality, fast production, prompt delivery and price!
