Customer Reviews:

Mr.Duroni

With the "Slide The City" project is more popular, we have a idea about that, and thanks Barry offer our best suggestions leading to a successful business, keep touch!

Nome Benne

Our boys love this water slide! It has a climbing wall, a tunnel and sprayers that they can use in pirate 'fights'! Our boys seem to like this one even more than rainforest rapids. And they do more running, which wears the out more!

Henry Edosa

Ordered this for my sons 6th birthday party. It was a party hit! The only reason I gave it a 4 out of 5 is because when it was time to put it away I noticed air leaks all over the slide. Don't know if that's how it's supposed to be... but other than that, it was

great!

Mirtha Trama

Good design for the latest inflatables and hit the inflatable market,as a business man,that is a really worthy deal.
