Remarks: The followings are more about product quality and workmanship of Barry inflatables, which will surely build your confidence!

Quality control

1. Material: High durability fire-retardant PVC Tarpaulin which has 3 layers, two coated side with a strong net inside. All are with CE certificate and SGS certificate.
2. Reinforced PVC strips: Reinforced extra strips on all welds, in order to ensure the products are more durable and no leaks.
3. Durable Zipper And Safe Air Value Sheet
4. Unique Soft EVA Ladder: Giant inflatable slides are designed with fixed assistant ropes and unique soft EVA ladders to make it safe, easy and convenient to the top of the slides.
5. Professional Fixation Design
Each inflatable product is designed with a set of D shape or round metal ring anchors to make installation easy and firm in condition of strong wind and different places.
6. Printing: We have high quality printer which imported from Japan, we make printing by our printer, so we can ensure the quality (no sticky, no fade, but sustain a long time) and save much cost, so that can offer cheaper price.
7. Anchor points on the bottom for fixing the inflatable.
8. Testing: all products will be tested before packing.
9. Feature: Well tailed / Durable / Water and fire proof/ High temperature and low Temperature resistance / UV-Resistance

Our Services

Professional Packing Service

For years, we dedicate to providing professional packing service for our customers. For each product, we use soft carpets for inner packing, waterproof PVC bags for secondary protection and transparent PE films for outer packing, in order to make sure that products won't get damaged during transportation. Each package is attached with the exact picture of products and order number for easy classification. For extra large products, we use steel pallet, for which the fees are quite reasonable and negotiable.

Professional Printing Service

We bring in professional HD printer for product printing and the printing result can reach 1400 DPI. Besides, oil coating protection is added to resist UV, aging and scratching, which ensures a long-lasting company and brand profile.

Professional Automatic Cutting Machine

We are the first manufacturer that brings in giant automatic cutting machine in inflatable industry. Based on which, we are able to produce more precise, more beautiful and more reliable inflatable products in a short time.

Professional Design Team

We have collected a team of top designers who are professional in using software like Rhino, Maya, CorelDRAW, KeyShot, Photoshop, CAD, 3Dmax, etc. We can design and produce any inflatable products to match your needs, your budget, your plan and your place. All you have to do is to catch an idea and we will do the rest for you! For more information, contact us!

Competitive Advantage:

1. All inflatables have been passed EN71-1-2-3, SGS, EN14960, EN-15649 lead free certification.
2. We have high quality printer, to make sure the prints are no sticky, no fade, but sustain a long time.
3. Professional designers and experienced workers guarantee that the designs and size of the inflatable items can be adjusted effectively as per

your own demands.

4. Professional Quality Control Department, we test each product for 3 days to ensure the toys seamed exactly well.

5. 20 years experience in this field can provide you with best service,products and after-sales service.
