Product Description

Summer Water Game Inflatable Water Ball Pool Inflatable Backyard Swimming Pools With Customized Toys

Application of inflatable swimming pool:

A low cost option to a backyard pool, inflatable water pools can quickly be blown up and set up as a temporary pool for kids to enjoy. inflatable water pool is one of the best water toys for kids to get relief from the hot sun in the summer time.

Inflatable Water Pools can be used together with water walking ball, paddler boat, inflatable bumper boat, roller ball, floating ice berg, water trampoline and other water sports games as water pool for kids to get great fun indoor or outdoor.

Technology:

All the inflatable pools we make are welded by hot air machine(not glued).

Size:

There are many sizes for you to choose, usually from 24 m2 to 400 m2. Anyway, we make the size according to your requirement. Inflatable water pool offer something for kids of all ages.

Material:

It is usually made by the material of the thickness 0.9mm polyester fiber double deck PVC tarpaulin, which is waterproof, high strength, high density and fire resistant. The prior color is light blue, however red, yellow, orange and green is also a fine choice.

shape of inflatable above ground pools:

The shape of the pool has rectangle, square, round, and also we can make the pool to be double tubes and three tubes for pool wall if you need.
