## Product Description

### 0.55mm PVC Inflatable Bouncer Blue Block Bouncy House Castle For Halloween Festival

#### Description:

moonwalk, we accumulate a lot of new and nice and great inflatable castles, vivid images and colorful designs for different aged players. We have a lot of different styles, like inflatable bouncy castle, jumping castles inflatable, inflatable castle combo, inflatable castle slide, etc. Any moonwalk can be found here. They can be used for outdoor/indoor parties, amusement park, rental business, school trainings, festival events, etc.

size: 5x4x4m  
material:plato 0.55mmpvc

#### Technical

1. **Stitching** All seams are doubled stitching everywhere fourfold at the corner and at the bottom-heavy stress point.All high-stress points are reinforced to make sure the inflatables are strong enough.
2. **Air Flap** For the safety, all of our air constant inflatable games have a safe air flap inside the air tube,it will help to stop the air going out quickly when the blower is off, So there will be enough time for the kid to leave the inflatable, it's very important.
3. **DURABLE ZIPPERS**  
We make strong zipper at bottom of each inflatable. Zippers can help you deflate the inflatable more quickly. There is a zipper cover as well, it can help to disperse the zipper's stress.
4. **REINFORCED STRIPS AT JOINT**  
We make reinforced strips at the bottom joint and each corner. So when the kids bounce on the games, you do not need to worry about safety at all. As the bottom can bear the kids no matter how they play on the games.
5. **TIE DOWN RINGS**  
Each product will have a quantity of thick D rings or circle rings according to the product need, It makes the inflatable steady enough to against the wind or jumping or pushing power from any sides.
